Headteacher: Mr Steve Border

Friday 23rd September

Dear parents/carers,

We are pleased to share with you that we have a school account for the Collins Big Cat E-book Library, which your child can access at home online or through the free app. These are banded reading books which match the children's reading level and are the same books that we use in school to support the children in practicing phonics.

Your child has been allocated by their class teacher a number of books on their current school book band. You can access the e-book library [here](#) or download the app for free on Apple or Android devices.

LOGIN DETAILS:

Each child has their own individual library with personalised login details.

The username is unique to each child and will be as follows:

ukladyb[Child's first name and surname].

For example, Jack Black would be: ukladybjackblack

We will text your password out separately.

If your child is known by a shortened version of their name (e.g Danny rather than Daniel) please try their full name if their short name is not working. If you are unable to log in, please let us know.

We have attached to this letter a parent instruction sheet from Collins to help you get set up. Again, please do let us know if you need any extra help logging on.

Please take advantage of this range of phonetically decodable books to further support your child at home with their early reading.

Enjoy!

Year 1 Team
