Year 6 Buddies

Dress as an alien

Communication and Language

- Ask questions about favourite books.
- Comment on what is happening during stories.
- Listen and follow instructions
- Explore new vocabulary and form extended sentences
- Explore new vocabulary in imaginative play.
- Confidently speak in bigger groups.

Literacy

- Join in with rhymes and stories confidently
- Begin to write with some independence– lists, labels, simple sentences
- Demonstrate oral segmenting and blending when reading
- Answer comprehension questions

What you can do at home:

Segmenting and blending of words– short caption
Answering comprehension questions after reading their book

Maths

- Recall number bonds to 5 (can use objects to support)
- Compare height/ length
- Number bonds to 10

What you can do at home:

Explore addition and number bonds to 5 e.g.
 $2+3=5$ $4+1=5$ $2+1+3=5$

Look at 2D shapes– square, rectangle, triangle, circle, oval, semi-circle, pentagon and hexagon. How many sides does each shape have?

Personal, Social and Emotional

- Have conversation with friends and respond to other children's opinions.
- Talk and interact with their buddies.
- Build confidence to share their opinion in circle times.
- Adapt behaviour to different events.
- Express their feelings and needs.

Expressive Arts and Design

- Use a variety of tools to join and fasten, such as scissors, glue, tape dispensers, hole punches, split pins, paper clips and staplers
- Return to and build on previous learning to improve and develop my ideas
- Create movement in response to music and move in time

Jigsaw—theme– Dreams and Goals

- Perseverance
- Motivation
- Working towards a goal– not giving up
- Feeling proud

Understanding the World

- Draw a simple map to navigate Beebots
- Show care and concern for living things and the environment
- Understand the effect of changing seasons on the natural world
