

Year 1 Phonics Overview Autumn 1

This half term we will be recapping the phonemes from phase 3 that your child will have learnt in Foundation. This is to help them consolidate their knowledge for reading, and for spelling, to best prepare them for learning new alternate spellings and tricky words in phase 5 (after October half term).

In order to further support your child with this, please spend this half term reading and spelling words with the phase 2 and 3 phonemes at home. We have listed the phonemes for you below.

Phase 2

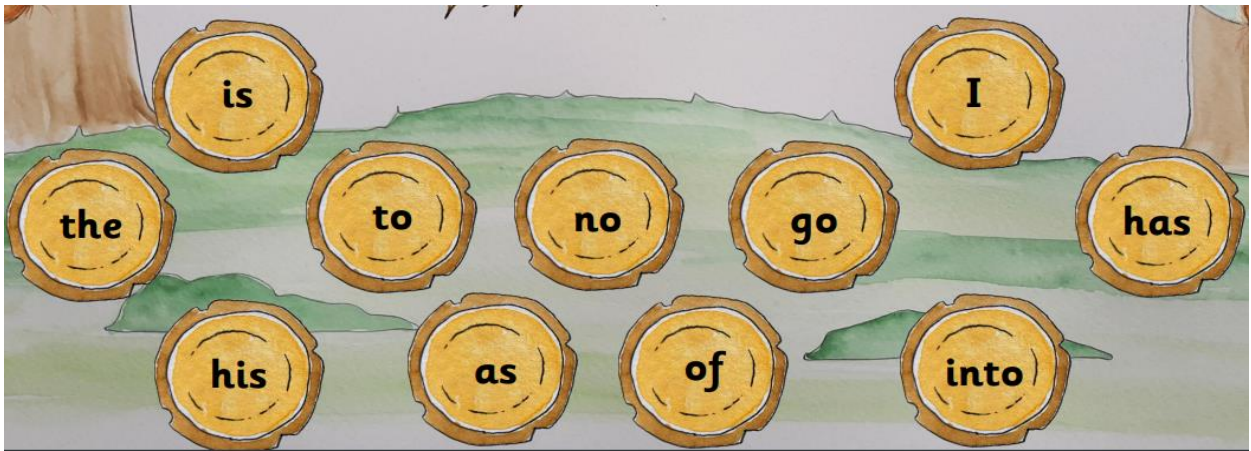

Phase 3

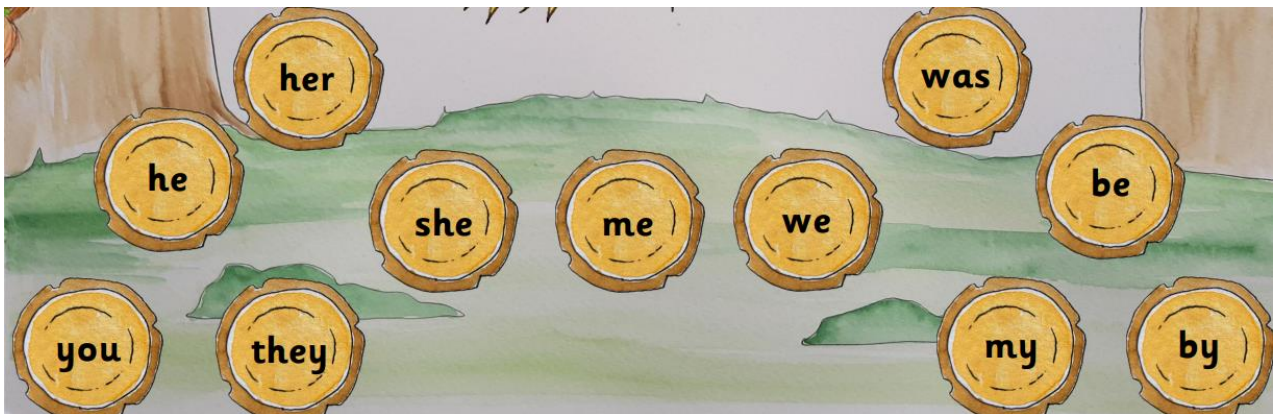

Please also practise reading and spelling the tricky words that the children have learnt so far. Please see list below.

Phase 2 Tricky Words

Phase 3 Tricky Words

Phase 4 Tricky Words

We will send home weekly phonics homework tasks after October half term.

Thank you for your continued support.
