

# Nottinghamshire Children's Centre Service

## Rushcliffe Children's Centre (about us):

- Work to ensure young children get the best start in life and that their families are supported to help them achieve this.
- Provide a range of services for parents to be and families with children under five years old who live in Rushcliffe.
- Some of these are at our purpose-built centres, but many take place in community venues, parks, or in the home.
- Areas of support include: family support, developing parenting skills, promoting health and wellbeing, early years development, communication and language, working with volunteers, and supporting parents to get back to work.
- We work with partner agencies to ensure we support families in whatever area they need.
- Contact us to get more information or our latest timetable.....
